ABOUT UNV

The United Nations Volunteers (UNV) programme contributes to peace and development through volunteerism worldwide. We work with partners to integrate qualified, highly motivated and well supported UN Volunteers into development programming and promote the value and global recognition of volunteerism.

MAKE A DIFFERENCE IN THE WORLD

Online volunteering allows organizations and volunteers to team up to address sustainable development challenges – anywhere in the world, from any device. Online volunteering is fast, easy – and most of all, effective. When skilled, passionate individuals join forces online with great organizations working toward sustainable development goals, everyone wins.

PUTTING SKILLS IN ACTION

Online volunteers are professionals, students, home makers, retirees, people with disabilities and expatriates from across the globe who support development organizations over the internet. What they have in common is a strong commitment to making a real difference to development. What they do is as varied as the needs of the organizations they support.
