

COVID-19:

UN Volunteer solutions for UN partners

UNV provides flexible, cost effective, capacity to support United Nations' rapid COVID-19 response and recovery. These volunteers can be recruited in five main categories, efficiently and flexibly.

UNV's talent pool, of over 250,000 individuals interested in volunteering in the field and 600,000 online, offers great diversity – including age, expertise, gender and location – for your COVID-19 response.
