How can UNV contribute to the UN's COVID-19 response?

How can we recruit expertise locally?

national UN Volunteers

- Candidate pool of over 250,000
- Over 100 different professional profiles
- Local languages and cultural know-how

Are there still options to access international expertise?

UN Volunteers and Online Volunteers

- International UN Volunteers can start assignments remotely
- Resident permit holders considered as national UN Volunteers
- Online Volunteering pool of over 600,000

We have no time for lengthy recruitments...

partner with UNV on speedy recruitment

- Rapid shortlisting of profiles by UNV
- 22 days for recruitment for national UN Volunteers, 39 for international UN Volunteers
- Instant recruitment of Online Volunteers

How can we improve diversity during the response?

UN Volunteers and Online Volunteers

- Over 80 percent of UN Volunteers from the Global South
- 51 percent of UN Volunteers are women
- UNV has opportunities for special access and remote volunteering

How can we respond with a limited budget?

UN Volunteers and Online Volunteers

- UNV and donor funded UN Volunteers
- USD 19,525 (global average) a year for a national UN Volunteer
- Free Online Volunteer recruitment
